

Cookie Notice

SCG Packaging Public Company Limited and its affiliates use cookies to enhance the efficiency and good experience of using our websites. Each website will have different cookies. You can learn more about cookies by clicking "Cookie Settings" in each website.

1. What are Cookies?

Cookies are small text files that are stored onto your terminal equipment (computer or mobile device) when you visit certain websites. Cookies are widely used by website in order to make their websites work, or to work more efficiently.

2. Why are cookies used?

Cookies may be used for many different purposes, we use cookie once you access our websites.

■ Strictly Necessary Cookies

This type of cookie is strictly necessary to make the website functions properly and safely, allow you to use the website, enable you to log in, verify your identity etc. You cannot disable the use of this type of cookie via our website.

■ Analytic Cookies

These cookies collect information about your use of the website to enable us to assess, evaluate, improve, and develop our content, products / services and websites in order to enhance your experience of using our website.

If you do not allow us to use these cookies, we will not be able to measure, evaluate and develop websites.

■ Functional Cookies

This type of cookie helps to remember the computer or electronic data you use to visit the website, your registration or log in information, settings or options you have previously selected on the website, such as the language displayed on the website

and shipping address. You will be able to use the website more conveniently without needing to provide information or reset every time you use the website.

If you do not allow us to use these cookies, you may not be able to use the website easily and not efficiently.

- Targeting Cookies

This type of cookie collects various information, which may include your personal data and create a profile about you so we can analyze and present products, services, and advertisements that best match your interests.

If you do not allow us to use these cookies, you may receive general information and advertisements that are not relevant to your interests.

3. Third-Party Cookies

Our website uses cookies belonging to third parties. The usage and settings will be in accordance with the first 4 types of cookies. You will not be able to select the settings for the specific cookies of third parties.

We are not able to control the use of that third party's data. You check the list of third parties and visit their websites to see their privacy notice and their cookies notice, which are different from ours.

4. Cookie Setting

You can set cookies by enabling / disabling each type of cookie except for Strictly Necessary Cookies. Setting can adjust by cookie setting button or setting in your web browser at any time.

Please be aware disabling cookies might cause our websites will not work properly.
